Dear Supporter,

Thank you for considering a donation to the South Puget Sound Community College (SPSCC) Foundation through Brunch with a Purpose in partnership with John Doan and David Marks. We are grateful for community partners who help advance our mission to support the success of all SPSCC students.

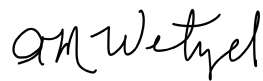

Community college is a place where anyone can pursue their academic goals. Whether through a transfer degree that leads to a 4 year university, a technical degree to start a career, or a professional certification to boost a resume, community colleges drive the economy and help individuals and families earn living wages.

The SPSCC Foundation offers hundreds of scholarships every year to offset the rising cost of tuition. Your donation to Brunch with a Purpose directly supports LGBTQ+ scholarships and will impact LGBTQ+ students for years to come.

The SPSCC Foundation values access and opportunity. We believe everyone has the right to higher education and are committed to raising funds to ensure dedicated students can reach their educational and career goals.

We could not do this work without you -- thank you on behalf of John, David, and LGBTQ+ students.

With Gratitude,

Amber Wetzel
