Dear Supporter,

Thank you for considering a donation to the South Puget Sound Community College (SPSCC) Foundation through Brunch with a Purpose, in partnership with John Doan and David Marks. We are sincerely grateful for community leaders like you who help advance our mission to ensure every SPSCC student has the support they need to succeed.

Community colleges remain one of the most powerful engines of opportunity. Whether students are earning a transfer degree on their way to a four-year university, completing a technical program to launch a career, or pursuing professional certifications to strengthen their résumé, SPSCC provides pathways that uplift individuals, families, and our regional economy.

Thanks to generous supporters, the SPSCC Foundation awards hundreds of scholarships and emergency grants each year to help reduce the financial barriers students face. Your gift through Brunch with a Purpose directly supports LGBTQ+ scholarships and emergency funds—providing life-changing assistance to LGBTQ+ students now and strengthening their opportunities for years to come.

At the SPSCC Foundation, we are committed to access, equity, and opportunity. We believe everyone deserves the chance to pursue higher education, and we work every day to ensure students can reach their academic and career goals regardless of their financial circumstances.

We could not do this work without you. Thank you—on behalf of John, David, and the LGBTQ+ students whose futures will be shaped by your generosity.

With Gratitude,
